Transformix Global LLP.

Elevating Skills, Shaping Futures

Our Vision

To become the world's most trusted partner in skilling, employability, and corporate capability building—empowering individuals and organizations to excel through practical learning and continuous growth.

Our Mission

- To equip people with relevant, practical skills that enable successful and sustainable careers.
- To support organizations in achieving growth and excellence through continuous learning and capability development.

About us

Elevate work, business and Life: Master "How" in addition to "what"

Empowering students, professionals, and organizations with industry-driven skills, practical learning, and hands-on expertise delivered by corporate trainers with decades of Real life experience. We transform people into capable professionals and organizations into high-performing workplaces through experiential learning that goes beyond theory.

Transformix Global LLP is a leading skilling and corporate training organization dedicated to empowering individuals and businesses with future-ready capabilities. We specialize in Skilling and Employability aimed at finishing school deliverables. We strive for achieving business excellence through Upskilling, Corporate Training, Coaching and Consulting. Our programs are designed to bridge the skill gaps and drive real performance improvement of lag indicators. With industry-expert practitioners delivering as trainers through globally aligned modern methodologies, Transformix Global helps shape careers and transform organizational growth.

Our programs are aligned with global standards and thoughtfully curated to meet the needs of international businesses and industries.

Who We Are & What We Deliver

Imtiyaz Arshad is a transformational leader with four decades of experience in Operations, Marketing, Leadership development, Safety, Productivity and Mega project execution. An Former CEO & Secretary, Skill Development Institute Visakhapatnam and Former Chief General Manager-HR, HPCL, he brings his rich corporate expertise, field level approach and mentoring excellence into a platform designed to build future-ready leaders and high-performing teams. As Founder & CEO of Transformix Global LLP, he brings practitioner and experiential approach of learning wherein "how" is more important than "what" in today's changing and VUCA business world.

His journey includes delivering 600+ impactful programs, shaping thousands of professionals, and earning global recognitions that reflect his discipline, clarity, and commitment to excellence. Transformix Global LLP carries forward his mission—to inspire growth, strengthen capability, and enable meaningful transformation impacting business bottom line/top line and enhancing employability and success.
